

The background of the entire image is a vibrant cosmic scene. It features a deep blue and purple space filled with numerous stars of varying sizes. Two prominent galaxies are visible: one on the left with a bright orange and red core, and another on the right with a bright blue and white core. The edges of two planets are also visible: a reddish-orange planet on the far left and a dark, cratered planet on the far right.

cleared from lower frequencies  
like greed, envy, guilt & shame  
to effectively assist you  
transforming and aligning  
to your original blueprint

# multidimensional information

13 pictures - originally watercolor paintings  
each with a corresponding chakra,  
its name, and an impulse

You don't need to know anything about chakras  
to work with these - by looking at the picture  
and feeling into the information provided you  
intuitively get what is right for you - as it is a  
bridge to YOUR inner wisdom and connects  
with what is ready to unfold in this very  
moment.

*Note: Saying out loud the words - you may adjust  
them to what resonates even more with your  
individual expression - is a powerful way to  
connect to your magic*
